**Member states of the Commonwealth of Nations**
- Wikipedia

The Commonwealth of Nations is a voluntary association of 54 sovereign states. Most of them were British colonies or dependencies of those colonies. No one government
member countries and exercises power over the others, as is the case in a political union. Rather, the Commonwealth is an international organization in which countries with diverse social, ...

**Member countries - The Commonwealth**

There are 54 countries in the Commonwealth, in Africa, Asia, the Americas, Europe and the Pacific. Commonwealth countries are diverse – they are amongst the world’s biggest, smallest, richest and poorest countries. 32 of our members are classified as small states. Small states are especially vulnerable to things like climate change or developmental challenges.

**The Commonwealth**

The United Nations Climate Change Conference COP26 was held in Glasgow from 31 October to 12 November. At COP26, the Commonwealth Secretariat hosted its first ever Commonwealth Pavilion, to serve as an inclusive and collaborative space for accredited organisations. Watch highlights and events recordings on our COP26 hub.

**English in the Commonwealth of Nations - Wikipedia**

The use of the English language in most current and former member countries of the Commonwealth of Nations was inherited from British colonisation. Mozambique, which joined the Commonwealth in 1996, is a special case: English is widely spoken there, despite it being a former Portuguese colony (though the port of Chinde was leased by Britain from 1891 to 1923).

**History and Purpose of the Commonwealth of Nations**

Jan 17, 2020 · Thus, in 1931, the British Commonwealth of Nations was founded under the Statute of Westminster with five initial members - the United Kingdom, Canada, the Irish Free State, Newfoundland, and the Union of South Africa. (Ireland permanently left the Commonwealth in 1949,
Das Commonwealth of Canada in 1949, and South Africa left ... 

**The Commonwealth Games - Commonwealth of Nations**
The Commonwealth Games have evolved over time much like the Commonwealth of Nations it represents. From its inception in 1930 as the British Empire Games, it has mirrored the changing orientation of the greater organisation. It was known by this name until 1950, then from 1954 to 1966 it was the British Empire and Commonwealth Games, 1970 to
